Chairman's Perspective

Today, India has earned a distinctive mark in the global scenario for providing professional education and is significantly contributing to the knowledge bank of the world. Contemporary time is fast emerging, evolving and is being driven by astonishing pace of developments in technology and management encompassing all sectors.

With these rapidly changing facets, it becomes imperative to blend strong value system with knowledge centric approach. There is a need for leaders who are mentally, emotionally, socially and intellectually capable, who can channel the future towards glorious accomplishments. This reinforces the strong role of institutions in enriching the student community and thereby creating both a better society and a better tomorrow for all the stake holders.

New Horizon Educational Institution deems it worthy not only to appreciate but to effectively implement these value systems. Our institutions, from time to time, has been adopting key innovative modes with a multi-dimensional approach for leading the way to generate leaders, beyond mere professionals who can bring about a constructive change at all levels. For a life formative education, it reaffirms the need to couple ethics with knowledge in providing an apt high education platform. Our institutions stand tall with pride and satisfaction in all its endeavors.

Warm welcome to this temple of wisdom and a value filled atmosphere for carving successful professionals with satisfaction, unlimited and un-matched knowledge.

We stand committed and continue to strive in pursuit of excellence.

Dr. Mohan Manghnani
Chairman,
New Horizon Educational Institution

ABOUT NHEI

New Horizon Educational Institution, one of the premier educational institutions of Bangalore, was established in 1970. NHEI has an imposing history of innovative education, with a vision and mission to impart holistic education to all its students. Strategically situated in the prestigious IT capital of India, Bengaluru, New Horizon Educational Institution has grown by leaps and bounds.

New Horizon Educational Institution, constantly strives "in Pursuit of Excellence" and imparts the kind of education that makes our country proud. The name "New Horizon" is synonymous with creditable performance, committed training, honing of skills, manifestations of talents, nurturing of character and development of a holistic personality.

Under the umbrella of New Horizon Educational Institution there are seven high-performing Institutions that take care of the educational needs of a student from the pre-primary level to the professional stage. Guided by a noble mission and a clear vision, inspired by the Motto "In Pursuit of Excellence" and motivated by invaluable core values that ultimately create a complete human being, every Institution here follows the key philosophy that encompasses two important things to succeed in Life: the Mission Possible Theory and the Conviction that every problem has a solution.

Vision

Our Vision is to establish centers of educational excellence that offer challenging learning environments that encourage high expectations for success through knowledge creation, development of skills and promotion of values

Mission

New Horizon Educational Institution seeks to provide education that will inspire students to achieve the highest standards of intellectual and personal development to become creative and caring builders of the future.

Goal

To adhere to the reputation of being able to channel our human resources and guide the transformation process of every individual's dream in to a reality.

Principal's Perspective

Dr. Sunita Hangal
Principal, New Horizon Pre University College

"A desire can change nothing, a decision can change something but a determination can change everything." Welcome to New Horizon Pre University College (NHPUC)

At NHPUC we have created an environment to enable our students to fulfill their potential while developing into well mannered, well groomed and independent individuals with high self esteem. We are committed to provide an educational experience that is the richest, most diverse and most exciting in an atmosphere that provides support, encouragement and care for every student.

Our commitment at NHPUC is to provide a safe and intellectually challenging environment that will empower students to become innovative thinkers, creative problem solvers and inspired learners prepared to face the challenges in the twenty first century.

High standards and expectations for each student in regard to academic performance, co-curricular participation and responsible citizenship is the foundation of our institution.

Our college follows an open door policy & we like to interact regularly with parents during parent teacher meetings. I would like to personally meet the parents and address if they have any queries regarding the development of their child.

I am confident that NHPUC will always be a beacon of light, guiding the destiny of the students, radiating kindness & compassion as it soars high in its pursuit of academic excellence.

ABOUT US

New Horizon Pre-University College (NHPUC), established in the year 1982, is recognized by the Department of Pre-University Education, Government of Karnataka. New Horizon Pre-University College offers Science & Commerce streams. The syllabus is as prescribed by the Department of Pre-University Education, Government of Karnataka.

VISION

To be recognized as an innovative, creative institution renowned for its focus on delivering to the world highly innovative students with the ability and agile mind set to be entrepreneurial and socially responsible global citizens who are able to navigate the complexities of a rapidly changing world.

MISSION

The mission of NHPUC is to educate the citizens for the upliftment of our society. We do this through our commitment to the transformative power of education.

Beginning in the classroom with exposure to new ideas, new ways of understanding and new ways of knowing, students embark on a journey of intellectual transformation. Intellectual transformation is deepened and conditions for social transformation are created. From this we hope that students will begin to fashion their lives by gaining a sense of what they want to do with their talents, assessing their values and interests and learning how they can best serve the society.

VALUES

At New Horizon, we believe in imbuing, in our students, a strong work ethic, a sound moral compass, a respect and a thirst for knowledge, and a belief to persevere until the goal is achieved.

We encourage all our students to not only be a part of a change but to be the change themselves. We teach our students the importance of serving the nation and helping in uplifting the weaker sections of the society.

GOAL

For our students – To provide students with the best possible learning experience.

For our people – To optimize the experience and expertise of our people and help them make the best possible contribution towards the student experience.

For our community – To contribute and respond to the economy, social and environmental well-being of our community.

STUDENT SERVICES

Career Guidance

Career guidance consists of the services that help students successfully manage their career choice. Although this aspect of human development occurs on its own as we mature, everyone can benefit from assistance navigating through this process, keeping in view their dreams, aspirations, will to succeed in this fast paced competitive world.

Counselling Services

Blocks in the human mind and not paving way for further thinking are an alarming situation.

The human mind is the most crucial aspect of an individual and various aspects go into the making of a good and healthy human mind, chaos in aspects like understanding, thinking, initiating, executing would lead to an unhealthy atmosphere.

Hence, clarity of mind works magic with individuals and there is a requirement of another human mind to intervene and put them on the right mode of understanding and thinking. Therefore, our counselling services plays a very major role and enhances the learning ability.

Open Day

The Institution envisages to keep every parent informed of their wards overall progress in academics as well in co-curricular activities and their active participation and involvement in every aspect of their learning in their process of getting educated.

However, to receive updated information about their wards and have a watchful eye for their progress and success, it requires every parent's initiative to meet their wards mentors on the scheduled Open Days for healthy discussion and monitoring.

Facilities are created... Need to put to use... For its Effectiveness...

Mentoring

The Institution practices efficient mentoring and mentor relationship among students and teachers irrespective of their course, subject of study and class of study. Students at PU level require more of encouragement and motivation to do their very best in what they do.

Creating interest in what they need to do is the most crucial task of a teacher and irrespective of which subject a teacher handles, it is a challenge for a teacher to first make the student love the subject and in tandem the student will be able to perform better and as expected.

INTERCOLLEGIATE CULTURAL FEST- SARGAM

SARGAM is an annual state level inter collegiate cultural fest organized by New Horizon Educational Institution. NHEI believes in providing great opportunities for the student to involve themselves in various activities which are diverse and challenging. Sargam is a platform for students to unleash the true potential of their talent. With this students learn skills such as event management, interpersonal, communication and team building.

Sargam cultural fest started in the year 2008 and it is born as phoenix every year, as the old one dies a new one rises from it's ashes. Every year Sargam fest gets bigger and better. It's among the best cultural extravaganzas which provide a platform to showcase young and new talent.

Sargam fest brings together students from various educational institutions providing an excellent platform to showcase their talents and win handsome rewards too. It brings the PUC to the PG students of various streams across the state under one roof. The theme for Sargam 2018 was 'KRISHNA LEELA'. More than 20,000 students from over 150 colleges across the state were present at SARGAM-2018 and around 2500 of them took part in various events this year.

100 feet Road, Indiranagar, Bangalore
(Established in 1982)

New Horizon Public School is one of the premier public schools in Bangalore. Strategically situated on 100 Feet Road, Indiranagar, the School has an imposing history of 35 years in the field of education, with a vision and mission to impart holistic education to its students. Committed to the cause of excellence in education, New Horizon Educational Institution has eight units under its wings, providing quality education from the pre-primary to the post-graduate level.

New Horizon Public School is a co-educational school and is affiliated to the Council for the Indian School Certificate Examination, New Delhi. From its inception, the school has always targeted student empowerment by exploring and expanding the horizons of knowledge. It is a matter of immense pride that New Horizon Public School has been producing 100% results in the ICSE board from 1991 onwards. Total quality education that aims at excellence in performance has made this feat possible.

From its inception, New Horizon Public School has groomed hundreds of young minds into becoming the best brain bank of young India. The students who pass out of the school are living examples of excellence, having been nurtured by its value-based education in the formative period of their life.

Education at New Horizon is more an awakening rather than a transference of knowledge. Our motto "In Pursuit of Excellence" does not just refer to academic excellence, but to human excellence, resulting from true educational empowerment.

Ranked No:1 in INDIA based on ICSE Result - 2014

Vision

To be a world-renowned school recognized for our distinguished teaching pedagogy. Our vision is to see every New Horizonite emerge as a trailblazer, holding the torch of knowledge and armed with learning enhanced by national, global and multicultural perspectives.

Mission

Our mission is to offer unparalleled education to students from different walks of life and help them become enlightened individuals. We aim to create an environment of motivation and support to empower our students to become front runners in their chosen field. We endeavor to develop the personality and character of our students by reinforcing an atmosphere of respect and human dignity.

Values

We believe that focus on value based education inspires children to adopt values of integrity, discipline and to live by them. A strong spiritual, moral & cultural environment contributes to the student's academic success, along with excellent personal character development.

Core Values

- Compassion for fellow beings.
- Integrity in thought, word and deed.
- Respect for our ancient traditions and values.
- Emphasis on moral, social and intellectual ethics.
- Respect for individuality and responsibility towards society.
- Bringing about, in every student, an all round educational effectiveness.

Why NHPS ?

- Unparalleled academic track record – 100% results
- More than 98% of our student get distinctions and first classes in exams
- Emphasis on moral values and ethics
- Extracurricular activities and sports
- Good Infrastructure – library, labs and sports facilities

The focus of 21st century is on child development and child education, children are considered as distinct individuals in terms of their interest, abilities, progress and growth. Therefore, it is important to constantly re-orient teachers with new teaching techniques, regulations and development in the teachers training arena. The Pre-primary training programme is an effort on our part to give teachers the ultimate training programme for teaching children in the age group of 3 to 5 years. For the very first time various educational approaches and themes are brought together into one course to create an unique Pre-Primary Teachers Training Programme.

New Horizon Pre - Primary teachers training Academy offers "Certificate Course in Pre Primary Teachers Training". The duration of the course is 10 months. The New Horizon Teachers Training Academy is committed to provide professional development training for teachers, who we believe shape the future of a nation.

The formative years of a child are the most critical period in life. Later his/her experiences keep building on the foundation which he already laid in early childhood. Thus, the teachers who aspire to teach children should be comprehensively trained in all aspects. At Pre-Primary level, it is extremely necessary to teach kids behavioural habits along with academics. Teaching at this level without professional training is not desirable as an untrained teacher would hamper the growth and development of the tiny tots.

The programme aims to acquaint teacher trainees to acquire the attitudes, skills, insight and techniques necessary to deal with pre-school children.

As there is a great need and demand for trained Pre-Primary teachers in the Day Care Centers, Play Schools, Nursery, Kindergarten and Montessori Schools, this course will equip the trained teachers to be placed in the Pre-Primary Schools.
